INTRODUCTORY.

AGAIN we revise and present to the public our Almanac and Pocket Memorandum for the years 1886 and 1887. The universal demand from all classes for this form of book has induced us to continue its publication, and we shall endeavor to make each succeeding edition excel its predecessor, so that the book shall be considered a necessity in every family.

The Medicines this book is designed to advertise are old-established, reliable remedies, prepared expressly for diseases prevalent in the Western and South-western States and Territories. For a third of a century they have combated these malarial and other diseases, until they have established a reputation among old residents that time cannot efface.

To the afflicted who are unacquainted with these Medicines, we desire to urge an earnest and thorough investigation of their merits in the cure of the various diseases for which they are adapted, and give them a trial. Knowing their intrinsic virtues as we do, we have no fear of the verdict of public opinion as to their value and usefulness.

Explicit directions for their use will be found with each article, printed in both the English and German languages.

Read the catalogue found on next page, giving the names of these Medicines and some of the more common diseases for which they are adapted.

USE

WAKEFIELD'S BLACKBERRY BALSAM

For Diarrhoea, Dysentery, Flux,

And all Bowel Complaints.

The World has never produced its Equal.

TRY IT.

FOR SALE BY ALL DRUGGISTS.

PREPARED BY

C. Wakefield & Co.

Bloomington, Ill.

IT NEVER FAILS.

This is what thousands of persons say of WAKEFIELD'S BLACKBERRY BALSAM; that it never fails to cure diarrhoea and summer complaint in adults or children, and all irregularity of the stomach or bowels. It is pleasant for children to take and it does not leave the bowels constipated. Relief is felt from the first dose. Try it for the proof.

This remedy is familiar to every household and its effects marvelous in the cure of diarrhoea and all irregularity of the stomach and bowels. It is too well known to require an extended comment; it has no rival in this country.

Dysentery, flux, and chronic diarrhoea are more speedily cured by giving the Balsam in regular doses, and at same time using it by injection, according to directions around each bottle.

WAKEFIELD'S BLACKBERRY BALSAM is equally as well adapted for children troubled with summer complaint or looseness of the bowels from teething. Being pleasant to the taste and perfectly harmless, there is no trouble in administering it, and no family should be without a bottle in the house for this purpose.

CHOLERA.—When this much-dreaded disease is prevailing, every family should procure half a dozen bottles and be prepared for any emergency. Taken in time, it will cure the worst cases.

COUNTERFEITS.—Some parties have unscrupulously attempted to imitate this article, and attached a name as near to ours as our patents will allow them, in hopes of getting sale on the merits of our genuine and popular remedy. Do not trust them.

D. U. BROWN, Sac City, Sac Co., Iowa, says: "Wakefield's Blackberry Balsam is the only patent medicine I ever recommended in my life, but that we keep in our house all the time."

A. B. DAVIS, La Clede, Kan., writes: "Your medicines are very popular here and give general satisfaction, especially the Blackberry Balsam, Cough Syrup and Worm Destroyer.

WAKEFIELD'S

COUGH SYRUP.

THIS IS A MOST PROMPT AND EFFICIENT MEDICINE FOR

Coughs, Colds, Asthma, Consumption, Whooping
Cough, Measles, Croup, Hives,

And every other disease of the Lungs or Throat.

It is especially adapted for LUNG FEVER, WINTER FEVER and PNEUMONIA,

Which terms signify an inflammation of the lungs. It frees the engorged excretory tubes, thereby releasing the lungs of the overcharge of effete matter that has accumulated there, which causes a morbid inflammation of that organ. If you will observe strictly the general treatment fully set forth in the directions which accompany each bottle, you need have no fear as to the result. Thousands have used it, and we have yet to hear of the first case wherein it has failed.

Peruse.
C. C. KESSINGER, of Springdale, Kan. Mar. 3d, 1879, writes: "As ever, your medicines give the best of satisfaction, especially the Golden Ointment, for healing old sores it has no rival. About one year ago I had an itching on my left ankle which culminated in an obstinate sore that baffled the skill of our best physicians. After trying in vain everybody's remedy, I concluded to try one bottle of the Golden Ointment, which entirely healed the sore."

TAGGART & GRATAN, Nashville, Ind., Jan. 9th, 1879, write:

"Your Golden Ointment cannot be beat by any other preparation sold in this town.

Wakefield's Blackberry Balsam

This is an immediate and almost never-failing remedy for Diarrhoea, Cholera Infantum, Summer Complaint, Flux, Cholera Morbus, Dysentery, AND ALL RELAXED CONDITIONS OF THE BOWELS.

It is neutralizing and healing in its effect upon the coating of the stomach and bowels. It is mild, harmless, pleasant to the taste, yet most effective in its results. It should be kept in every family, so as to have it at hand when needed.

Farmington, Washington Territory, March 21, 1885.

C. WAKEFIELD & Co., Dear Sirs: "Your Blackberry Balsam has cured me and cured my baby after the doctors gave him up."

Yours respectfully, Mrs. B. F. GLEASON.

G. W. BEHYMER, of Newbury, Mo., writes: "I can say that your Fever Specific has not failed, in a single instance, of effecting a permanent cure of the chills and fever."

SCALES & GRAY, of Coal Hill, Ark., write: "Your medicines are gradually taking the place of other remedies; the Fever Specific has proved to be almost an infallible remedy for Ague and Fever."

WAKEFIELD'S

* AGUE FEVER SPECIFIC *

Is what its name implies, an infallible Remedy for

Ague, Chills and Fever, Dumb Ague, Lung Fever,

And all Periodic Attacks so prevalent in the West.

This preparation is a Standard Medicine with the older settlers, having been their household remedy for the past thirty-five years. They would as soon think of doing without food in the house, as without Wakefield's Fever Specific at hand; especially during a season when malarial diseases are prevalent.

Explicit directions in both English and German will be found with each bottle.

WAKEFIELD'S

WORM DESTROYER

THIS IS ONE OF THE NICEST AND MOST SUCCESSFUL REMEDIES FOR

WORMS IN CHILDREN OR ADULTS,

NOW BEFORE THE PUBLIC.

It is made in lozenge form, and the lozenges are quite pleasant for children to eat.

All unthrifty children, and especially if they have surred tongue, itching at the nose, hacking cough, flushes of fever, bloated abdomen, should be given these lozenges. They have been used with great success for the past fifteen years.

Wakefield's Egyptian Liniment

This is one of the most stimulating and penetrating Oil Liniments in use, and is used with great success on horses in the cure of Sprains, Swellings, Bruises, Spavin, Sweeney, etc. It is as strong as horse-flesh will bear without irritation.

• Wakefield's Nerve and Bone Liniment •

Is a much more mild and soothing Liniment, and is very healing. It is used on raw sores of any kind, such as Galls, Chafes, etc., on horses, and is equally healing and softening when applied to the human flesh.

This has been the standard Family Liniment, for all uses, for the past thirty-five years.

MESSRS. WAKEFIELD & Co., Dear Sirs: "Please send us an invoice of your Cough Syrup. This medicine is unsurpassed for the cure of coughs and colds; indeed, all your medicines which have been tried by me and my neighbors have given general satisfaction. At present there is a large demand for your Cough Syrup, and I wish to keep it constantly on hand."

ROCHESTER, IND., Aug. 9th, 1880.

MESSRS. C. WAKEFIELD & Co., Dear Sirs: "Please send us an invoice of your Blackberry Balsam, as we have only about one-half dozen bottles of it on hand. Your medicine is the only reliable one which we keep for Summer Complaints, and it does not pay to keep any other, as we can't sell it. Almost everybody asks for WAKEFIELD'S REMEDIES."

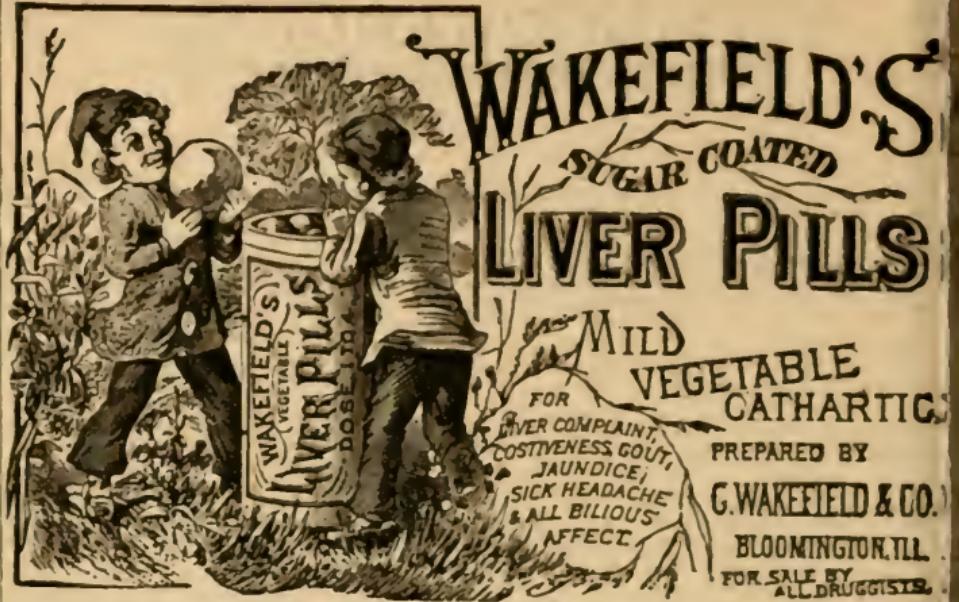

Respectfully,

J. DAWSON & SON.

Mr. A. F. WEBB, of the Hoover Telephone Co., San Francisco, Cal., writes: "My little daughter suffered greatly, during teething, by diarrhoea. I was advised to give her some of your Blackberry Balsam, which I did, and by which she soon entirely recovered."

W. L. DILSWORTH, Druggist, Crab Orchard, Neb., writes: "I never heard of one case where the Blackberry Balsam did not give instant relief when properly applied."

MEMORANDA.

THE BEST OF THE KIND.

WAKEFIELD'S LIVER PILLS are wholly vegetable, act promptly on the liver, stomach and bowels without griping, and produce less exhaustion than other cathartics. They are made from vegetable extracts and resinoids of our own manufacture, and every pill is of even strength. They are sugar coated and sealed in wooden boxes. Families who have used them once will have no other kind. We guarantee them superior to any other kind in the market.

J. M. HUFFY, Pilot Grove, Ind., Jan. 13, 1879, writes: "Your Fever Specific sells well, and your Liver Pills are without doubt the finest pills made."

IOWA CITY, Iowa, Feb. 11, 1885.

DR. C. WAKEFIELD, *Dear Sir:* I have sold your medicines for thirty years and found them to work like a charm in every case where I have tried them. I can recommend them as the best family medicines I have ever used. I would not be without them in my family for anything, for I know they are good after thirty years' trial. I have never sold a box or bottle of your medicines but have given satisfaction.

Yours with respect,

JAMES HILL.

Mr. BALDWIN, of the firm of Baldwin & Wilson, Osborne City, Kan., says: "Wakefield's Golden Ointment is the best ointment for cuts, burns and sores that ever was made."

SENNA, Iowa, Feb. 4, 1879.

C. WAKEFIELD & Co., *Gents:* We have never seen anything to equal your Nerve and Bone and Egyptian Liniments, Golden Ointment, Cough Syrup, Liver Pills and Brown's Rat Killer. They all find ready sale here and give perfect satisfaction. Very truly yours,

T. J. REEVES & Co.

I. B. CROCKET, Clayton, Mo., writes: "Your medicines give general satisfaction; the Balsam is highly spoken of by all who have tried it. Your Pills are genuine."

JOSEPH MARTIN, Livonia, Mo., writes: "Your Liver Pills have become a household necessity with the people here."

IT HAS CHARMING EFFECTS.

This is a reliable remedy, and when kept in the house and used freely in first symptoms of disease, will prevent and cure more severe and fatal cases of sickness than any article before the public.

For sudden Colds, Pneumonia, Lung Fever, or any tightened or inflamed condition of the organs of the chest, this Cough Syrup has a most charming effect. It speedily relaxes the excretory tubes, so that the retained effete matter that caused the congestion is imperceptibly but hastily thrown off, and the patient gets moist and quiet. Many patients have been cured by this Syrup after having been given up by physicians. Buy a package of half a dozen, use in first attacks of cold, and you will never have Pneumonia or Consumption.

PURIFY THE BLOOD.—This Syrup has very powerful alterative properties, and as the numberless wastegates of the system are thoroughly opened by its relaxant powers, the impurities of the blood are thrown out more speedily than by any other remedy.

Colds and harsh Coughs are caused by general or local congestion, which this Cough Syrup quickly relieves. **WHOOPING COUGH** and **MEASLES** are rendered mild and short in duration by the use of this remedy.

QUIETS NERVOUSNESS.—Persons who cannot sleep from nervousness find great relief from the use of this Syrup. Heads of families should study carefully the directions accompanying each bottle.

J. W. WATSON, Iowa Falls, Iowa, says: "Wakefield's Cough Syrup is the best medicine I ever used in my family for coughs and colds."

WALT. WILLIAMS, proprietor of the Williams House, Lehigh, Iowa, says: "We have a little girl troubled with the croup, and we find that Wakefield's Cough Syrup gives her quicker and better relief than any we can get. My wife will not be without Wakefield's Cough Syrup."

J. C. ZIEDLER, Blacksmith, of Rockwell, Cerro Gordo Co., Iowa, says: "I have used Wakefield's Cough Syrup in my family for years, and it gives the best of satisfaction."

PREPARED BY

WAKEFIELD & CO., Bloomington, Ill.
FOR SALE BY ALL DRUGGISTS

This is an invaluable preparation in all cases where an external application of a cleansing, soothing, softening, or healing nature is required. No family should be without a bottle in the house at all times, to have at hand in case of burns, scalds, cuts or frosted parts, etc., where prompt application is very essential to a speedy cure. It is equally as good in softening CAKED BREASTS, SORE NIPPLES, BOILS, CHAPPED HANDS, PILES, and in fact all cases where an ointment is required. It is used by many, and with remarkably favorable results for sore throat, by applying to a bandage around the neck; also just the thing for old running sores. It is very cleansing and healing, and every one that has used it speaks in the highest terms of its good qualities. It contains no poisonous or injurious ingredients, and can be used in any case with perfect safety.

Read some of the testimonials, a few of which we present in this book. Thousands more could be given would space admit of it.

June 3, 1884.

DR. C. WAKEFIELD & Co., Sirs: I had an old sore on my leg of ten years' standing, for which I had in that time failed to find a remedy. I obtained a bottle of your Golden Ointment, and finding some improvement from it I obtained a dozen bottles, and when they were all used the sore was entirely healed and well, and has remained well ever since. I recommended the Ointment to the master mechanic of the Wabash road at Fort Wayne, Ind., who had an old sore of twenty years' standing and who had spent \$200 in treatment without relief. He has now been using it several months and is rapidly recovering. I recommend it with the fullest confidence to all similar cases.--CHAS. H. CHAFFEE, Traveling Salesman for D. Appleton & Co., New York.

W. H. MITCHELL, Druggist, of Belmond, Wright Co., Iowa, says: "Wakefield's Golden Ointment has performed some miraculous cures in this vicinity. As an ointment for healing burns, cuts and old chronic sores, it has no equal in the world."

Mrs. NEEDHAM, Granville, Iowa, says: "I use Wakefield's Golden Ointment in our family for almost every disease flesh is heir to. It has performed some miraculous cures; it has cured my little girl of erysipelas."

THE GREAT INVIGORATOR.

The use of WAKEFIELD'S WINE BITTERS will be found very beneficial in cases of weakness or debility. They are strictly a medicinal compound, prepared from the very best tonics known to science. They contain only a small quantity of alcoholic stimulants, merely sufficient to preserve them from fermentation. They assist digestion, increase the activity of the liver, and build up the broken-down system, whether caused from sickness, dyspepsia, or accident.

Any person who feels languid and in want of something to brace them up, will find in WAKEFIELD'S WINE BITTERS just the medicine wanted.

This medicine has a preëminent power as a strengthening tonic, and as an alterative and blood-purifying remedy. It gives tone, energy and vigor to the digestive organs, renews the blood, increases the appetite, removes old, long-standing headaches, acts as a gentle laxative, breaks up a costive habit, cures dyspepsia, boils, sores and many scrofulous diseases, by thoroughly cleansing the blood, and will soon give renewed vigor to the whole physical system.

S. S. NEEDHAM, Granville, Mahaska Co., Iowa, says: "Wakefield's Wine Bitters cured me of a severe case of dyspepsia. I can recommend it for that difficulty."

T. B. LACEY, Woodlawn, Ill., Jan. 1, 1879, writes: "Your medicines give satisfaction in every case. The Liver Pills, Cough Syrup and Wine Bitters are in demand."

Mr. IRWIN GORE, P. M. and Druggist, of Pilot Mound, Boone Co., Iowa, says: "I have sold Wakefield's medicines for over ten years, and they give the best satisfaction of any I sell. I consider them the most reliable in the market; the Worm Destroyer can't be beat."

TAGART & GRATTAN, Nashville, Ind., write: "Your medicines give general satisfaction. Your Golden Ointment cannot be excelled by any medicine sold in this country. The Liver Pills are the best in the market."

Mr. M. S. DOUD, Elk Falls, Kan., writes: "The Golden Ointment is splendid, and has been used with astonishing success in cases of Lung Fever. Make a plaster and apply as you would a mustard plaster. It draws out all fever and pain as if by magic. It is far superior to a mustard plaster."

WHAT THE PEOPLE SAY ABOUT WAKEFIELD'S BLACKBERRY BALSAAM.

From Rev. C. W. CAMPBELL, Ph. B., Principal Houston Seminary.

HOUSTON, TEXAS, Nov. 10, 1883.

Messrs. C. WAKEFIELD & Co., Gentlemen: An attack of diarrhea reminds me of a resolution made last year when I first found your Blackberry Balsam could not be obtained here. I then determined to ask that some steps might be taken to introduce this very valuable medicine in this part of the world. For many years it has been my resort in all complaints of the bowels and in all this time it has never failed me once. Consequently, when I came here more than a year ago, I was most disagreeably surprised at not being able to obtain it. Spending last summer in Kansas, I took good pains to lay in a supply for the winter; but I should feel safer in this climate (or any other) to be sure of being able to secure Wakefield's Blackberry Balsam at any time.

Hoping you will place it on the market in Texas, I remain

Yours truly,

C. W. CAMPBELL.

IT SAVED HER LIFE.

B. W. RICE, of Bethlehem, Ind., says: "Your Cough Syrup saved the life of my sister. She lived in Louisville, Ky., and two of the best doctors attended her for six months, and done her no good. She coughed day and night, and finally came to my house to die. I immediately got your Cough Syrup and gave her freely, and in three weeks she went home, but she did not take her cough with her, for she was well. Any one doubting the truth of this statement can address me as above, and learn the truth of this and many more wonderful cures."

THEY ARE ALL GOOD.

H. WOOLDRIDGE & Co., Willis, Montgomery Co., Texas, Feb. 3, 1880, write: "Your Family Medicines are very popular in this locality, more especially your Cough Syrup, Golden Ointment, Egyptian Liniment, and Blackberry Balsam. One of our customers says he was cured of a severe attack of rheumatism by two bottles of your Liniment. Another customer has cured a sore leg of long standing by the use of your Golden Ointment."

THE BEST IN THE WORLD.

A. P. RHODES, Gregory's Landing, Clark Co., Mo., July 9, 1878, writes: "I do not speak favorably of your medicines because it is fashionable, but because I have tried them in my own family for the last two years, and have sold and recommended them to my neighbors, and I have never in all my experience known them to fail. They are our first resort in all cases of sickness and have brought us out all right. Your Blackberry Balsam is the best in the world."

CAN CONSCIENTIOUSLY RECOMMEND THEM.

SAM. H. SMITH writes from Russell, Kansas, Feb. 13, 1879: "We cannot well get along without Wakefield's Medicines. They are our family physician, and we have used them so long and with such success that we have all confidence in them. If we commence in time, we can cure almost any disease. I can conscientiously recommend them."

TAKING THE LEAD OF ALL REMEDIES.

MT. IDA, WIS., Sept., 15, 1882.

Messrs. WAKEFIELD & Co., Gents: Your Blackberry Balsam is taking the lead of all remedies here, and is earning its reputation by its merits. *I would not be without Wakefield's Remedies* is the language here, and it gives me pleasure to sell them because I have confidence in them. I take the Balsam, go out to cure, and have never failed yet.

Yours, etc.,

F. O. PARKER.
